

Download and install

To get started, simply install Continia Sustainability through Microsoft AppSource. When your free trial expires, you are asked to subscribe to Continia Sustainability in order to continue using the app.

30-day free trial

With a free trial, you can test Continia Sustainability and experience the many benefits of using the app. All modules are activated in the trial period enabling you to test all the functionality in the solution right away. Your free trial expires after 30 days from the installation date.

Fixed monthly price per production environment

Subscribing to Continia's apps happens within the app. For Company Groups within the same Business Central tenant but with multiple production environments, the price is per production environment. Within each production environment, you can use the app in unlimited companies.

**Single production
environment**

\$300

All prices listed are for the use per month, recommended prices excluding VAT and subject to change and availability.

**Additional production
environment**

\$200

All prices listed are for the use per month, recommended prices excluding VAT and subject to change and availability.
