The free trial gives you access to all Document Output functionality for up to 30 days or until you've sent the maximum number of emails or printed documents. Following the trial period, or at any point during it, you can easily subscribe to Document Output if you want. You'll already be up and running when you subscribe, and you can then continue working with the same data as in the trial period.

How is my consumption calculated?

The consumption is based on sent e-mails or printed documents with, e.g., invoices, account statements, reminders etc., including related attachments. At the end of each calendar month, the consumption is counted, based on the total number of sent e-mails and print documents within that month. This number will determine your price by a simple look-up in the price table below.
