The prices are not user-related. Cancellations for Subscription are possible with a notice prior to the 15th of the current month for the end of the current month. Any later notice will only be effective for the end of the following month.

Please note: The activation of the granules is done by the partner. A transfer of the license is not required. Without additional costs you can get the two previous versions (i.e. Microsoft Dynamics 365 Business Central on Prem Spring and Fall). Within the above mentioned NAV-versions the current cumulative update and the two previous cumulative updates are available without additional costs. For other base versions, the technical realization will be tested and the downgrade will be charged according to actual expenditure.

By providing this price list, any previous price lists of gbedv GmbH & Co. KG will lose their validity. All prices are subject to statutory value-added tax (VAT).
