Non certified modules		
26160690*	FactoringBasis (plus mapping creation)	1.200,00 €

The prices are not user-related.

Please note: Upon placing an order for bundle-modules 157930, 5157940, 5157950, the modules 5157810 and 5157860 must also be licensed, but are already included in the bundle price.

All prices are recommended prices excluding VAT and subject to change and availability.

The modules marked with an asterisk (*) are not part of the certified solution. However, you can still order them for customer projects at the conditions listed above. For the uncertified modules, there are no factsheets available and tables, forms, etc. within the 70,000 object area must be activated. Please check (if necessary) which objects are required.
